Dear Chip,

Here is what I wrote the man who asked me to speak at Elkins Park so you'll know in the event he speaks to you.

Elkins Park, if you've never heard of it, is a suburb of Philadelphia.

As I remember, it is north of Phila. Years since I was there.

His letter is with a book that I'll mail when I mail this. We don't mail books on Saturdays because all Saturday's outgoing mail goes to Baltimore and this would go there and then get returned to Frederick. Reagan efficiency and cost-saving.

When you come I'd like to go over copies of the KKK Hardin records.

I think that what happened, the entire thing, was too sophisticated for the KKK.

Best,

Harold
